Introduction: **Krishna Securicorp** takes the honour and privilege to introduce ourselves as one of the most professionally managed Security & Allied Services including Manpower, having history of providing user specific committed quality services at justified rates in the Indian Corporate Sector. We are an operations based organization under the able direction of professionals.

Being an extremely focused on professional training and quality of our Guards and Manpower, we are one of the few security organizations having proper training facilities and an ISO certification for our systems.

Company Profile: **Krishna Securicorp** surpasses the competitions in meeting the standards of what a Security Personnel and other Industrial Manpower consists of, in the Industries today. As a Security & Industrial Manpower Provider we provide much more than to deter, detect and report.

We are a registered Company by Ministry of Corporate Affairs and Ministry of Micro, Small and Medium Enterprises having a dedicated team of personnel from Senior Rank Army and Police Officers to look your customized security needs. We

provide Security Solutions with quality-trained manpower. Our Security Personnel & Manpower are put through a basic training program and then on specific customer need based training before deployment. We follow it up by regular refresher trainings and review in time with changing customer needs.

Krishna Securicorp is the next generation of contract Security & Allied Service Providers. We know what it takes to keep you and your business safe, but more importantly, we know how to add value to your company by providing superior customer service and attention to detail. We take ownership of every customer's company and property. We are proud of what you and your company have accomplished and ensure that each of our personnel displays that pride to you and your customers through their appearance and attitude.

At **Krishna Securicorp**, we care about our customers and their business. We focus on detail that will bring your company to the forefront in your industry. We will add value to your company by providing you more than a deterrent; we will provide that first impression and customer service that will set your company ahead of your competition.

Our approach to Security & Personnel is perceived and implemented as a key Management Function with the same principles as Planning, Organisation and Operations in any other field adopting a system approach. The Security

Department is considered key component of Risk Management and covers important areas like;

- Asset Protection – (Man and Material)
- Crime Control
- Disaster Management

The major Strength of any Company lies in its Management profile be it Top or Middle Management Cadres. **Krishna Securicorp** has been alive to this vital aspect and thus has Key people who have the Requisite background and experience to Perceive, Plan and Implement Security concerns and have handled similar tasks in their illustrious careers. An inter service panel of Senior and Experienced Officers from Defence, Paramilitary Forces and Civil Sector are part of Management various Capacities.

Call us at **Krishna Securicorp** and let us show you how we make the difference in the service we provide.
